

EQUIP 2011 EXHIBIT HALL

PEORIA CHRISTIAN SCHOOL

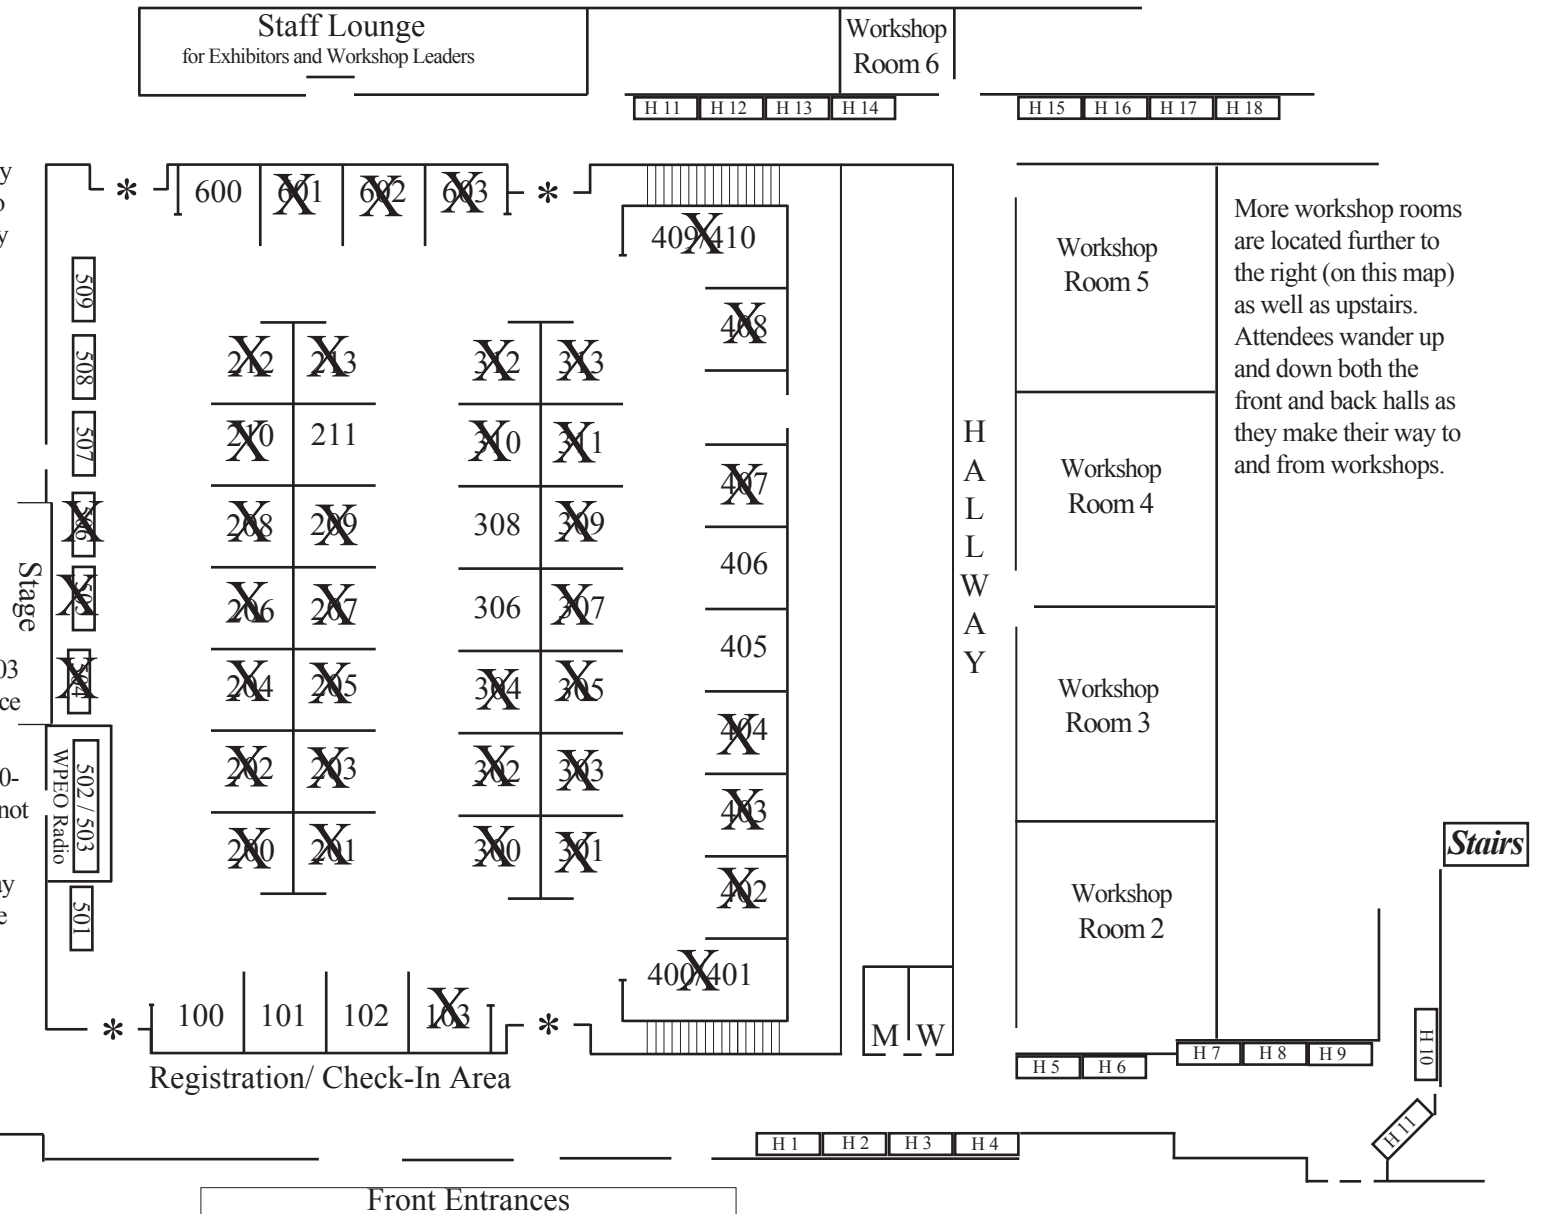

The exhibit hall is located in the North Gym at PCS, immediately inside the front entrance. Overall gym dimensions are approximately 106' by 86'. The four entrances to the gym/exhibit hall are marked by an asterisk.

X An X over a booth number indicates that the booth/table is taken.

Booth locations 100-103 & 600-603 are 10' wide by 8' deep due to space constraints.

"Booths" along the stage wall (500-509) are premium table locations, not 10 x 10 booth spaces.

Once the exhibit hall is full, hallway tables (labeled with a "H") become available.

More workshop rooms are located further to the right (on this map) as well as upstairs. Attendees wander up and down both the front and back halls as they make their way to and from workshops.
