That's the way grandma referred to someone's husband. No matter what was said about "her man" or someone else's man, she said it with a measure of respect. Consequently, wives are missing God's plan for them as well as the blessing and benefits that come with it. This workshop will talk about the importance of respecting & affirming the husband. Helping Children to Have a Daily Devotional Time with God

Katrina Forseth, *CEF of Illinois*
Room 214 *Special Seminars*

Statistics tell us that less than 5% of evangelical Christians in North America have a regular time of devotions with God each day. What if we could raise up a generation to be people of the book who know God's Word and know their God! Come to this session to get a heart for pursuing God each day and spending time with Him and for helping this next generation of children to be people who know and walk with their Savior and God and are people of the Book!

No Man Left Behind

Rich Gerberding, *Men of A.L.M.*

K.I.L.T.S.: Kids in Leadership Training for Service

Mickie O'Donnell, *GiftStream*

Are we really preparing children to be leaders or are we just perpetuating the insanity that they should be catered to? Scripture gives us a very proactive picture of children actually "doing" ministry and in so "doing" strengthening their walk with God. It's time to build the leadership skills God has already given them.

Consecration & Missions

Katrina Forseth, *CEF of Illinois*
Room 214 **Special Seminars**

The first step to missions and having a heart for the world is to first give yourself completely to God in full consecration - dedication, a surrendering of oneself completely to God and God's will for one's life. Missions is simply an overflow of our consecration to God and a willingness to step out and be a part of what God is doing and is wanting to do in proclaiming the Gospel to the ends of the earth. Come to this session to catch God's heart for your life and for missions and how we can help teach these discipleship truths for every believer to children.
